BEVFORCE ELITE™

BEVFORCE Elite provides full-service staffing solutions to employers looking to secure qualified, pre-screened candidates. **BEVFORCE Elite** taps into a national network of career consultants with extensive industry experience. These professionals have personal contact with thousands of beverage industry employees both actively and not actively seeking a career change. This provides your company with the inside track in identifying experienced candidates with a proven record of success. **BEVFORCE Elite** pre-screens candidates to assess motivation, interpersonal skills, problem solving, management skills, team building, and strategic thinking. Incorporate the power of targeted industry referrals into your recruitment strategy.

BEVFORCE CAREER MONITOR™

Posting a job on BEVFORCE.COM is just the beginning. **Career Monitor** supercharges your candidate search by proactively reaching out to thousands of beverage industry professionals. Our proprietary database includes a comprehensive blend of potential candidates, from wine maker to marketing manager, across all categories from spirits to soft drinks. A **Career Monitor** recipient might be looking to make a move, know a colleague that would be a perfect match for your opportunity, or content in their current position but open to new opportunities. Whatever the case, your job listing is quickly and effectively disseminated throughout the industry for powerful and immediate results.
